## Projects

**The Moment Massage** <https://themomentmassage.com/>

- The Moment Massage – Developed a fully responsive WordPress website for a luxury spa and wellness center. Designed an elegant and user-friendly interface highlighting services, pricing, and booking features. Implemented custom layouts, optimized performance, and ensured SEO-friendly structure for better visibility.

### **<https://eleganceclinic.in/>**

- Elegance Clinic is a premium plastic and cosmetic surgery center based in Surat. The website was developed to showcase the clinic's wide range of services—such as cosmetic surgery, hair transplantation, dermatology, and laser treatments—while maintaining a professional and elegant aesthetic that reflects the clinic's brand identity.

### **Digital Marketing <https://yashrajmarketing.com/>**

- Yashraj Marketing – Developed a responsive and SEO-friendly WordPress website showcasing company services, products, and contact forms with a clean, user-focused design.

### **Krishna Peanut <https://krishnapeanut.com/>**

- Krishna Peanut – Developed a responsive WordPress website for a leading peanut processor in India. The site features product catalogs for Bold, Java, and TJ varieties, detailed specifications, and an inquiry system, all designed to enhance user engagement and streamline communication.

### **Aaron Metal [aaronmetals.in](https://aaronmetals.in)**

- Aaron Metals – Developed a responsive, professional WordPress website for a metal casting foundry, featuring custom product pages (valve castings, pump castings, etc.), company profile, contact & quote request forms Integrated SEO best practices and ensured strong UX across devices.
